DEALER MANAGEMENT LETTER
DML#:15-07 G

Subject: CSA Certification for 1800 Series Monitors

Dear Valued Customer,

The Orion 1800 Series Monitors have been evaluated to the applicable CSA and ANSI/UL standards, for use in Canada and the U.S. respectively.

The chart below indicates the catalog numbers for the Orion 1800 Series Monitors that are eligible to bear the CSA Mark shown with the adjacent indicators 'C' and 'US' as issued to Thermo Orion Inc. under:

- Certificate of Compliance:1348544
- Project: 1348544
- Master Contract: 152874
- Date Issued: June 11, 2003

Cat. No.	Description	Cat. No.	Description
1809AO	Orion Fluoride Monitor	1817HL	Orion High Chloride Monitor
1810AO	Orion Ammonia Monitor	1817LL	Orion Low Chloride Monitor
1811EL	Orion Low Level Sodium Monitor	1818AO	Orion Hydrazine Monitor
1811AO	Orion Cation Sodium Monitor	1820AO	Orion Calcium Hardness Monitor

The Orion 1800 Series Monitors listed are eligible under the referenced Certificate of Compliance, as the electronics assembly for each of the systems is standardized across the platform. The unique differences related to the Orion 1800 Series platform are implemented via the chemistries and electrodes as required by the Ion of interest.

Please feel free to contact me directly with any specific technical or regulatory concerns you may have regarding any of the Orion 1800 Series Monitors.

Sincerely,

Erin White
