

Performance enhancing options
are available as an uplift to your
warranty and contract services.

Performance™ OPTIONS

Protect your biggest investment — your operations

Ask your Thermo Scientific sales or service representative about our suite of *Performance* service offerings that can help you protect and enhance your investment.

Thermo Fisher offers the following optional add-on services to help you meet the demands of your business.

Onsite service

Onsite service is offered as an uplift to any warranty or contract service plan. Onsite services are provided by Thermo Scientific trained and certified service professionals.

Preventive maintenance calibration service

Extend your system life via regular preventive maintenance. Fine tune your system to peak performance. Your system is calibrated and functionally tested to ensure proper operation. This service is offered on-demand or as an uplift to any warranty or service plan.
