

# Stirring-up the World of Electrochemistry!

Purchase a Thermo Scientific Orion 3-, 4-, 5- Star, or Orion DUAL STAR™ Benchtop Meter and Receive a FREE Stirring Probe.

## So easy to use—why would you choose anything else!

Plug the stirring probe into the back of a Star Meter and place it in your electrode stand with your electrode. Control the on/off and stirrer speed with the meter controls. Rinse stirrer with the electrode, and place it into the beaker to take measurements.

**Limited time offer, is good with the purchase of an Orion 3-, 4-, 5- Star, or Orion DUAL STAR Benchtop Meter.**

*Stirring probe shown with Swing Arm. Swing Arm not included with offer.*

## It is easy to redeem.

Simply place your order, complete the redemption form below and fax along with your invoices or packing slips to 978-232-1042 before December 1, 2009.
