

Thermo Certified Training

Apr-09

Part No.	Factory Certified Training @ Thermo Fisher Scientific Sugar Land, TX	USD(\$)	Add'l Info	Site Code
Training 2	Comprehensive Gas Flow Training for AutoPILOT, AutoMATE, AutoMITTER 3 day class includes AutoPILOT PRO & AutoMITTER PRC	1,200.00	per participant* Student min:4	0050**
Training 2	Advanced AutoPILOT Installation & Troubleshooting Training 2 day class	1,290.00	per participant* Student min:4	0050**
Training 2	Windows AutoCONFIG Software Training	1,000.00	per participant* Student min:4	0050**
Training 2	AutoSCAN Training 2 day class	1,200.00	per participant* Student min:4	0050**
Training 2	BenchMark Training 2 day class	1,200.00	per participant* Student min:4	0050**
Training 2	Introduction to PlungerLIFT 2 day class	1,200.00	per participant* 900.00 each add'l participant Student min:4	0050**
Training 2	AutoEXEC Training 2 day class	1,200.00	per participant* Student min:4	0050**
Training 2	Total Sulfur Analyzer Training for the SOLA I	2,580.00	1st participant* 995.00 each add'l participant Student min:4	0050**
Training 2	Advanced SOLA II Training 4 day class	5,150.00	per participant* 3,090.00 each add'l participant Student min:4	0050**
Training 2	Flo-Cal Training	1,550.00	per participant* Student min:3	0050**
Training 2	Introduction to the Thermo Scientific Tracker	1,500.00	per participant* Student min:4	0050**
Training 2	Operator/Maintenance Training for VG Prima dB 5 day class	5,050.00	1st participant* 3,040.00 each add'l participant Student min:3	0050**
Training 2	Operator/Maintenance Training for PRIMA 600 and 600S 5 day class	5,050.00	1st participant* 3,040.00 each add'l participant Student min:3	0050**
Training 2	Advanced Principles of GasWorks Software 2 day class	2,200.00	1st participant* 1,200.00 each add'l participant Student min:3	0050**
Training 2	M-PULSe Training Formerly AutoFlow	1,200.00	per participant* Student min:4	0050**
Training 2	Introduction to Flowmeters	1,100.00	per participant* Student min:4	0050**
Training 2	Introduction to the KRILPRO Gauge	1,240.00	per participant* Student min:4	0050**
Training 2	Introduction to the KRIL Gauge	1,240.00	per participant* 840.00 each add'l participant Student min:4	0050**
Training 2	DensityPRO-C Training	1,240.00	per participant* Student min:5	0050**
Training 2	DensityPRO+ Training	1,240.00	per participant* 840.00 each add'l participant Student min:5	0050**
Training 2	DensityPRO Training	1,240.00	per participant* 840.00 each add'l participant Student min:4	0050**
Training 2	Fundamentals of the SGDO Gauge	1,240.00	per participant* Student min:4	0050**
Training 2	LevelPRO Training	1,240.00	per participant* 840.00 each add'l participant Student min:4	0050**
TRRS40	Radiation Safety Officer Training 40 Hour 5 day class	2,430.00	per participant* 6 students minimum	0050**
TRRS20	Radiation Safety Training Refresher 20 Hour 3 day class	1,340.00	per participant* 6 students minimum	0050**
TRRS08	Radiation Safety Training Authorized User 8 Hour	1,030.00	per participant* 6 students minimum	0050**
TRRS04	Introduction to Radiation Safety Training 4 Hour	830.00	per participant* 6 students minimum	0050**

Note: Above pricing is for courses listed in Process Systems Training Catalog; specialized customer training will be quoted on a per project basis.

Part No.	Factory Certified Training @ Customer's Site (North America Only)	USD(\$)	Add'l Info	Site Code
Training 2	Comprehensive Gas Flow Training for AutoPILOT, AutoMATE, AutoMITTER 3 day class includes AutoPILOT PRO & AutoMITTER PRC	6,500.00 1,000.00	up to 5 participants each add'l participant	0051**
Training 2	Advanced AutoPILOT Installation & Troubleshooting Training 2 day class	5,500.00 900.00	up to 5 participants each add'l participant	0051**
Training 2	AutoCONFIG Software Training	3,750.00 600.00	up to 5 participants each add'l participant	0051**
Training 2	AutoSCAN Training	5,500.00 900.00	up to 5 participants each add'l participant	0051**
Training 2	BenchMark Training	5,500.00 900.00	up to 5 participants each add'l participant	0051**
Training 2	Introduction to PlungerLIFT	5,500.00 900.00	up to 5 participants each add'l participant	0051**
Training 2	AutoEXEC Training 2 day class	5,500.00 900.00	up to 5 participants each add'l participant	0051**
Training 2	Total Sulfur Analyzer Training for the SOLA I 2 day class	6,500.00 1,100.00	up to 5 participants each add'l participant	0051**
Training 2	Advanced SOLA II Training 4 day class	17,500.00 2,800.00	up to 5 participants each add'l participant	0051**
Training 2	Flo-Cal Training	6,500.00 1,100.00	up to 5 participants each add'l participant	0051**
Training 2	Introduction to the Thermo Scientific Tracker	6,500.00 1,100.00	up to 5 participants each add'l participant	0051**
Training 2	Operator/Maintenance Training for Prima dB	22,000.00 3,500.00	up to 5 participants each add'l participant	0051**
Training 2	Advanced Principles of GasWorks Software 2 day class	6,300.00 1,000.00	up to 5 participants each add'l participant	0051**
Training 2	Introduction to Flowmeters	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	Introduction to the KRILPRO Gauge	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	Introduction to the KRIL Gauge	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	DensityPRO C Training	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	DensityPRO+ Training	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	DensityPRO Training	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	Fundamentals of the SGDO Gauge	4,950.00 800.00	up to 5 participants each add'l participant	0051**
Training 2	LevelPRO Training	4,950.00 800.00	up to 5 participants each add'l participant	0051**
TRRS40	Radiation Safety Officer Training*** 40 Hour 5 day class	7,500.00 1,200.00	up to 5 participants each add'l participant	0051**
TRRS20	Radiation Safety Training Refresher*** 20 Hour 3 day class	6,000.00 960.00	up to 5 participants each add'l participant	0051**
TRRS08	Radiation Safety Training Authorized User*** 8 Hour	5,500.00 880.00	up to 5 participants each add'l participant	0051**
TRRS04	Radiation Safety Training Introduction*** 4 Hour	4,900.00 780.00	up to 5 participants each add'l participant	0051**
Note: Above pricing is for courses listed in Process Systems Training catalog; international customers must pay travel time and expenses in addition to above listed prices				
Specialized customer training whether in North America or International will be quoted on a per project basis.
