Important Discoveries Can't Wait

Get started before your funding arrives –
with the Future Funds program from Thermo
Fisher Financial Services.

Why wait for your funding to acquire the equipment you need today. With our Future Funds program, you can start using your equipment right now and pay for it when your funding comes through, subject to the conditions below.*

Here's how it works:

- Take delivery of a Thermo Scientific LTQ Orbitrap system or any Thermo Scientific Mass Spectrometer today
- Rent the equipment for up to 12 months for only 1% of the purchase price/month
- After 12 months, choose to purchase the equipment or convert to a convenient lease period. (You may choose to purchase the equipment at any time during the 12 month period.)

Don't hesitate —
Acquire your equipment today!
