**Subject: Global Discontinuation of Thermo Scientific Model GT-Land Surveyor and GT-Fuel Vapor gas monitors.**

Dear Valued Customer:

We wish to notify you of the pending discontinuation of the Thermo Scientific Model GT-Land Surveyor and GT-Fuel Vapor gas monitors. These monitors have been replaced by the Innova-Land Surveyor and Innova-Fuel Vapor gas monitors.

**Production of the Thermo Scientific Model GT-Land Surveyor and GT-Fuel Vapor gas monitors cease on September 30, 2009, at which time orders for the product will no longer be accepted.**

Thermo Fisher Scientific stands behind its Model GT-Land Surveyor and GT-Fuel Vapor gas monitors, and we intend to provide service parts, support and accessories for affected models, based on availability, for the next two years ending September 30, 2011.

**Please note replacement sensors are not affected by this noticed and will continue to be available for sale into the foreseeable future.**

We look forward to the continuing opportunity to serve our Model GT-Land Surveyor and GT-Fuel Vapor gas monitors customers, and toward assisting them through this product transition.

Sincerely,

Brent L. LeClaire
